

DISCLAIMER

I understand that the 2010 Battle Against Hunger Bike Tour (the "Tour") will be ridden on public roads and private property without specific oversight by any public safety authorities, and that biking in this manner is an inherently dangerous activity. I acknowledge that participating in the Tour could result in severe injury, disablement, or death. Throughout my participation in the Tour, I voluntarily, explicitly and fully assume all the risks of damage to my property, direct or indirect injury of any kind to my person, no matter how severe, disablement, or death (a "casualty") that impacts me due to my actions or the actions of the Sponsors, Promoters and Managers of the Tour, their Employees or Agents, or any other Participant in the Tour, ("SPMEAP") whether or not the action by any SPMEAP could be considered negligent.

I indemnify and hold all SPMEAP harmless against loss, cost or damage to me arising from a casualty during my participation in the Tour, whether from collision with any fixed object or structure, pedestrian, vehicle, other participant, or due to equipment failure, inadequate safety warnings or precautions, weather conditions, or otherwise, and I shall have no cause of action in tort or claim against any SPMEAP arising out of my participation in the Tour. This indemnification shall bind my personal representative and my heirs and no successor to me shall have any claim, nor be able to maintain any cause of action in tort against any SPMEAP individually or collectively arising out of my participation in the Tour.

I attest that I have the requisite level of physical fitness to safely participate in the Tour. To my knowledge, I have no medical condition that would result in a casualty from my participation in the Tour. I will provide a copy of my health insurance coverage to the Manager. If I am injured and unable to seek emergency medical care I authorize the Manager to obtain such care at my expense. I agree to wear approved head protection gear and will use no type of head phone at any time while bike mounted. I am responsible for providing a satisfactory bicycle and all repair tools and spare parts necessary to keep it in operating condition. To avoid removal from the Tour, I will abide by the general rules of the Tour and any specific instructions given to me by the Manager that he deems necessary for its safe conduct.

I cannot unilaterally modify this indemnification or my obligations hereunder in any manner, and they shall succeed my participation in the Tour.

I certify that I am 18 years of age or older

BATTLE AGAINST HUNGER

8TH ANNUAL

BIKE TOUR

SEPTEMBER 10 - 12, 2010

THE RIDE

This year, the bike tour will begin in Gettysburg, PA and travel approximately 200 miles to Trenton, NJ! We will celebrate the riders arrival in Cadwalader Park in Trenton, NJ! Can't ride...join us in the park as we welcome the rider's return!

WHO WE ARE

The Battle Against Hunger

The Battle Against Hunger, with your help, is achieving its goals to raise awareness of the hunger epidemic and provide funds to organizations which help alleviate the pain of those in need. The non-denominational charity, founded in 2003 by Chuck Inman, sponsored by Saint Matthew's Episcopal Church PLG and supported by many, has raised over \$400,000.00 in the past 7 years. These funds have been instrumental in providing nutritious meals and the tools necessary for self-sufficiency to many in our communities who greatly need help.

Your participation can make a difference!

Support a rider... attend an event... volunteer... make a donation!

Spread the word and join us in the battle against hunger.

OUR MISSION

We, in the Battle Against Hunger, believe passionately that no one in a place as plentiful as New Jersey should ever have to suffer the ravages of hunger. Not a single person should be denied a share in our abundance. We are committed to uniting businesses, organizations, groups and individuals throughout our area for the express purpose of assisting those who provide food and shelter to those in need. We believe a well-nourished citizen is an empowered citizen, with the potential to strengthen his or her community and ultimately to contribute to the enrichment of us all. In this spirit we dedicate ourselves.
